

Hornsea Burton and Skipsea Federation

Newsletter No.3

Autumn 2 December 2023

Happy Christmas everyone,

This term has certainly been a long one and the children have been working hard right up to the Christmas festivities. We have had a lot of great events this term with visitors to the school (including a Roman soldier and an inflatable planetarium) as well as special event days. We hope the children have enjoyed the different opportunities.

We also carried out a parent survey at the parent consultation meeting. It was great to see so much positive feedback. One area for development which was highlighted was around communication: information was being missed in emails or sometimes it was not given far enough in advance. As a result, we have researched a variety of ways that we can improve this and one which seems the most effective is Edulink.

Edulink is an app that can be downloaded on your phone and will beep to notify you of any messages (if your phone notifications are turned on). This seemed the most effective way to communicate as all the information required will be in one place: calendars, events, newsletters, letters, PD stamps and warnings, attendance, club information etc. It also allows parents to update their contact details so we definitely have the right contact details, to report attendance directly, to ask quick questions to staff, as well as giving consent for events and trips and also make payments for dinners or uniforms purchases or trips.

This also links to the system the Secondary school uses so many of you may already be familiar with how it works. **There is a link to a demonstration that you can look at:**

<https://www.edulinkone.com/#/>

To set this up, we will need to make sure we have all your email addresses.

In the New Year, we will send out information to support using this system and organise a meeting in which we can help you set it up and use it.

Poppy donations:

Hornsea Burton raised £64.36
Skipsea raised £62.29

Thank you so much...

Hornsea Burton raised £55:00
Skipsea raised £ 28:00

Extending the school day at Hornsea Burton in September 2024

The government have stated that the school week must be 32.5 hours. This means that Hornsea Burton are 50 minutes too short every week so to rectify this we will be going back to the finishing time being 3:30pm from September 2024. This will be in line with Skipsea school and meet the government requirements of 32.5 hours a week.

This will also fit in better with our timetable - at the end of the day every class has a valuable daily storytime and the current timetable often means this is rushed. The new ending time will allow the children to enjoy this quality time. If you have any questions or view about this then please get in touch with the office who will pass these onto our Governors.

For further information:

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1167516/Minimum_School_Week_Non-Statutory_Guidance.pdf

Breakfast Club and After school club

At Hornsea Burton, we have Breakfast club from 7:45 until school starts and an after school club until 5:30.

See the office for how to book and pay for these sessions

**At Skipsea we have Breakfast club from 7:45 until school starts.
In September 2024 we will be starting an after school club until 5:00pm if required.**

...a special place to learn and succeed

Sports news... We had an exciting first term at the Hornsea Burton and Skipsea with over 40 children from both schools participating in Cross Country, Football, Zoneball, Badminton, Cricket and Multisport. We have had so much success with children trying out new sports, qualifiers in Cross Country and winners in Badminton. It was a fabulous effort by all – well done!

We have now had our first **Active Travel Day** at both Schools. Thank you to everyone who had changed their usual routines and make efforts to walk, scoot, or bike to school. The children were very enthusiastic throughout the day. It was great to see such a good turn out at breakfast and afterschool clubs.

In the new year, we will continue with our events and afterschool clubs.

Dodgeball has been voted as the after-school club for Class 3 and 4. The first School Sport Partnership event of the year will be held at Hornsea Hub where pupils will compete in the Sport Hall **Athletics** event for year group 5 and 6. This is a competitive event with progression to the finals and medals on the evening for the winners. I really hope your children can join us for this!

Friends of Hornsea Burton (FoHB)

We are delighted to say we have successfully started a new parent volunteer group to help organise events and opportunities for our children to enjoy whilst raising valuable money for our incredible school. Our aim is to raise money to support all areas of the school with a particular focus for our first year on raising funds for the EYFS outdoor provision. We have been so pleased with the enthusiasm shown so far and are still welcoming new volunteers. If you would like to be a part of our team please email Miss Clark oclarck@hbsfed.co.uk and feel free to come along to our next meeting on Tuesday 16th January 5-6pm. If you don't feel able to attend the meetings or currently become a member, please feel free to email Miss Clark with any fundraising ideas you may have, the more the merrier!

Our next two events organised and supported by the FoHB are the Christmas Disco on **Thursday 14th December 3.20pm-4.30pm** and two performances of the **KS1 nativity on Tuesday 19th December at 2.30pm and again at 5pm**. We will be selling drinks and some delicious treats at both the disco and nativity performances so please bring extra money to enjoy what we are selling.
