

It is important that your grant is used effectively and based on school need. The Education Inspection Framework makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the Quality of Education Ofsted inspectors consider: **Intent** - Curriculum design, coverage and appropriateness Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment **Impact** - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

funding to improvements Schools make additional and sustainable the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 keyindicators across which schools should demonstrate an improvement. This document will helpyoutoreviewyourprovisionandtoreportyourspend. DfEencouragesschools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding, including any under-spend from 2021/2022, as well as on the impact it has on pupils' PE and sport participation and attainment. The funding should be spent by 31st July but the DfE has stated that there will be no clawback of any unspent money so this can be carried forward into 2023/24.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2023. To Created by: Physical Active Sport Supports

## **Details with regard to funding** Please complete the table below.

Total amount carried over from 2021/22	£10123.44
Total amount allocated for 2021/22	£16411
How much (if any) do you intend to carry over from this total fund into 2022/23?	£3695.80
Total amount allocated for 2022/23	£16430
Total amount of funding for 2022/23. Ideally should be spent and reported on by 31st July 2023.	£ 20,125.8

## **Swimming Data**

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.	
N.B. Complete this section to your best ability. For example, you might have practiced safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.  Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	0%
<b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2023. Please see note above	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	0%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	0%

Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

No

## **Action Plan and Budget Tracking**

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23	Total fund allocated:	Date Updated	:	]
Key indicator 1: The engagement of	Percentage of total allocation:			
primary school pupils undertake at lo	east 30 minutes of physical activity a	day in school		37%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Continue to offer high quality P.E and sport, by utilizing the offer from the SSP (School Sport Partnership).	Utilise the membership offer from the SSP	£1500	CPD offer to staff  Attending the inter and intra events  Awards evening	Continue to buy into the SSP agreement whilst Sport Premium has been awarded.
Purchase equipment for extra curricular sport. E.g. Yoga mats and cards.	New sports introduced to increase opportunity and engagement in extra curricular activity.	£785.86 £1200 shed	Offered sports and exercise activities including yoga and dance	Children survey to be conducted to identify and target children who still not take part in SSPA (School Sport, Physical activity) outside of the school day.
Lunchtime and afterschool clubs	Wider offer for children to attend extra-curricular clubs. Employed staff run these sessions.  Student playtime leader training	£100	Increased opportunities for students  Student CPD to run playtime activities	New playtime leaders will be trained.

Daily participation in aerobic activity	Children to complete a daily mile has part of their daily routine	IF X661	Pupils understand the benefit of exercise on health	Pupil focus groups and survey to identify preference of physical activity and exercise.  Targeted day to increase PA across the school.
<b>Key indicator 2:</b> The profile of PESSPA	A being raised across the school as a to	ool for whole sch	ool improvement	Percentage of total allocation: 19%
