

Hornsea Burton and Skipsea Federation

Newsletter 11

July 2023

Hello again,

I can't believe we are in our final month of the academic year. We have had such a busy year and yet more firsts for our schools. In the parent questionnaire, you asked for a residential to be organised which we did and both staff and children loved this. We hope we get the same support for next year as we have provisionally booked it again (see below for further information).

The children's attitude for learning has been fantastic as you will see in their end of term reports that come out on Friday 14th July. We look forward to our Open Afternoon on 5th July for Skipsea and 6th July for Hornsea Burton where you can come in and see your children's wonderful attitude to learning. You are invited in to work with them at any point in the afternoon and hopefully see your child's new teacher.

We have our upper school productions coming up in the last week (19th July at Hornsea Burton and 20th July at Skipsea), which will be an absolute treat. We also have our leavers' assembly on the final Friday of term when we will say goodbye to our Year 6 children (Hornsea Burton at 9:00 a.m. and Skipsea at 2:30 p.m).

We also have a few changes of staff next year which we will introduce in September. Mr Lemon has worked with us for a few months with one of our children who has left to go to another school. He has been a great addition to our staff and has still been helping us around school whilst Mr Newby is recovering. We hope Mr. Newby will be able to make a full recovery and be back with us in September. Sadly, Mrs James is also leaving due to family circumstances. We have been very lucky to have had her teaching our Y5&6 children this year for RE and Music..

Skipsea staff:

We are very sad to say that Miss Evans will be leaving us for early retirement. Miss Evans has been teaching at Skipsea for many years and has contributed widely to Skipsea school through her love of music by leading the choir and school productions, as well as running Friends of Skipsea School (FOSS). I know some may want to contribute to a gift from parents and if you do then please see Miss Tomlinson in the office.

Hornsea Burton staff:

It is also sad that Miss Taylor has decided to leave us at the end of July. She has the opportunity to work outside of teaching but still in Education and would like to explore this career opportunity. We wish her all the best in her next adventures.

Y5 and 6 Residential visit

This year's residential was a roaring success! The children had the best experience staying in the castle and having a go at some of the activities Willersley has to offer. We tested our precision skills in archery and axe throwing as well as sledding down a giant, grassy hill. Walking back up with your sledge was certainly a challenge! Lots of us, myself included, loved kayaking down the river. It definitely became competitive when rowing to catch the balls the instructors had thrown in - splashing each other was a great tactic! Aeroball was a huge hit with the children and we loved trying to score hoops while bouncing on a trampoline. The campfire on the second evening was great fun: we had such a laugh playing 'grandma's underpants' and trying not to burn our marshmallows which we roasted over the fire pit. Lots of the children conquered their fears by zooming down the zipline and for some this was their highlight. I was so proud of the children for being resilient and being such a joy to be with - they really are a credit to you all.

Miss. Hatfield

Next year, we are hoping to run the trip again to Willersley with a few changes for those who may wish to return. We will be having a slightly different experience of staying in the tents and trying the activities we didn't get the opportunity to do.

**This will be at a cost of £170, including a premium activity.
This can be paid over the year in installments of £20 a month.**

...a special place to learn and succeed

Sports Day Fun

What a wonderful Sports Day at Hornsea Burton! Thank you so much for attending to watch your children participate in a really challenging afternoon. As a school we all felt very fortunate to have had Leon Baptiste join us for the Sport 4 Champion challenge before the running events. I was so impressed with your children's efforts both for the challenge and raising sponsorship funds. Thank you so much for supporting your children with fundraising. **We raised over £500 leading up to the day which is a super effort from everyone involved.**

We pride ourselves on being the best we can be. The children demonstrated this throughout the afternoon. The effort from everyone who participated in some really challenging events was incredible. We have rewarded those who were the winners of each with a certificate. However, it really is the determination and passion to try your best is what really counts. That is what we strive for in P.E and across the school.

I am so proud to announce that Hornsea Burton have achieved The School Sport Partnership Gold Award for the second year running. We continue to focus on growth of extracurricular events away from Hornsea Burton, but the children have been awarded for excellence of P.E within school and afterschool clubs.

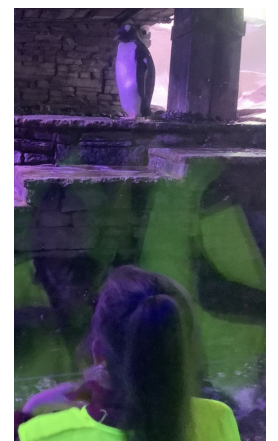

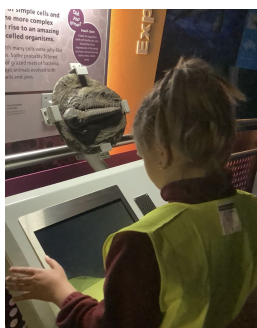

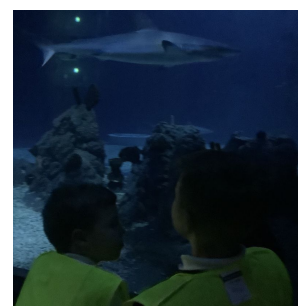

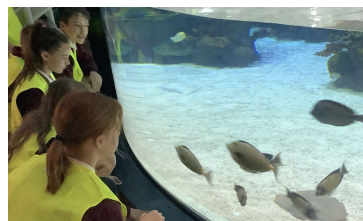

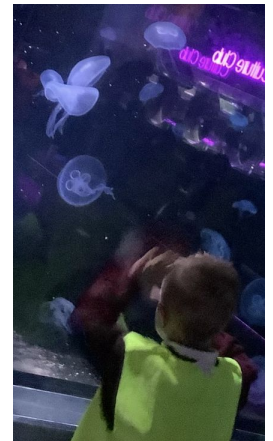

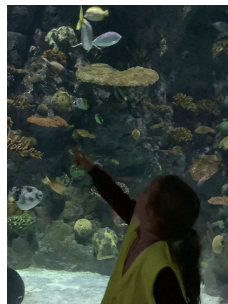

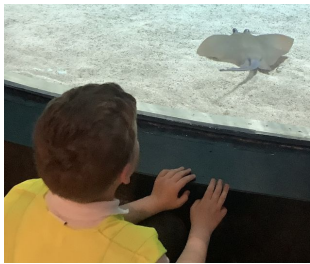

We have had to postpone our Skipsea Sports Day to Thursday 13th July. The children have already completed some of their field events in P.E for house points. Once again, I am so proud how the children have competed, supported and respected against one another. I will be sending out a write up of the day once we have competed.

Mr. Robinson

Skipsea The Deep

We were so lucky to have one of our trips sponsored by Orsted who are an offshore wind developer in the region. They are committed to supporting the communities in which we operate in so offered to fund a trip to The Deep for Skipsea school.
