

school admission arrangements for the 2024-25 school year

website statement

Hornsea Burton Primary School

As a community school, the admission authority for Hornsea Burton Primary School is East Riding of Yorkshire Council. Each year admission authorities review the admission arrangements for their schools, and then formally set – or ‘determine’ – these arrangements. Admission arrangements include the number of places made available for Reception – called the published admission number – as well as how preferences for places will be considered if there are more preferences than places available – called the oversubscription criteria. Together these details are sometimes known as the ‘admissions policy’.

If an admission authority wants to make any changes to their admission arrangements, the admission authority must consult on any proposed changes to those arrangements before determining the arrangements. Even where changes are not proposed, a consultation must take place at least every seven years.

As some changes are proposed this year, between Wednesday 2 November and Wednesday 14 December, the Council is consulting on the admission arrangements for community and voluntary controlled schools for the 2024-25 school year. All these draft arrangements are available online at:

[School admission arrangements for 2024-25 \(eastriding.gov.uk\)](https://www.eastriding.gov.uk/school-admission-arrangements-for-2024-25)

Whilst the vast majority of the admission arrangements for 2024-25 are procedurally identical to those for previous years, eight schools, including Hornsea Burton Primary School, have requested a change to their admission number for the start of the 2024-25 school year.

The change proposed at Hornsea Burton Primary School is to decrease the admission number from 17 to 15. If approved, this change would not come into force for the year group starting in September 2023, but only from September 2024.

During this period the Council are interested in the views of any residents, schools, parents/carers or other interested parties, and would ask that all views be expressed via the online survey accessible from the page link above and also at:
